Short Description

Lightweight Map Holder for MTB-Orienteering and Adventure Racing

Description

MTB Lite

Lightweight Map Holder for MTB-Orienteering and Adventure Racing.

1. Weight: Holder 75g, standard A4+ map case 185g. Fits standard and oversize handlebars up to 35 mm diameter.
2. 360° Turnable map case. Standard size: 225 x 305 mm.
3. Transparent - ideal compromise for maximum map area without obscuring vision of the trail ahead.

4. The map case is locked with press studs.
5. Easy mounting and dismounting of the mapboard without any tools.
6. Designed and made in Sweden
