Short Description

Robust and stable map holder for Adventure Racing Navigators who demand the best.

Description

MTB Classic

Robust and stable map holder for Adventure Racing Navigators who demand the best.

- Weight: Holder 265g, standard map case 150g. Durable and versatile. Fits standard and oversize handlebars up to 35mm diameter.
- Vibration of the map case while riding is prevented by a stand furnished with felt creating a concave surface.
- Locking device for a quick and easy mounting and dismantling of the map holder.
- The handlebar clamp can be left on the bike when the map holder is removed and is easy to dismantle without any tools.
- The map case is locked with press studs.
- Transparent - Ideal compromise for maximum map area without obscuring vision of the trail ahead.
- Designed and made in Sweden
